Dear Director Knight:

I wanted to thank you for your support in the disabled parking enforcement effort during the recent speedway activities. The troopers did a tremendous job during the event. They were a fine example of the professionalism and high quality of performance I've come to expect from the Florida Highway Patrol under your leadership, and the efforts of Colonel Rick Gregory.

Let me thank you for your gracious reception of myself and my son Ray at the meeting in your office, and if I may be of any service please call.

Sincerely yours,
